198391 25# **Buster's Traditional Chicken Breeding**

Great savory flavor that fries up golden brown.
It has NO heat from pepper.

197479 25# **Buster's Western Chicken Breeding**

Buster's Western has a mild to medium heat profile. Some say this breeder is a little spicy but not so hot that it sings your taste buds.

197481 6/5# **Buster's Pre-Dip Batter Mix**

Batter dip with middle of the road flavor profile that accompanies any breeding well. Eliminates the need for eggs or buttermilk as a pre-dip.

197480 25# **Buster's Cajun Style Chicken Breeding**

This is an authentic Louisiana Cajun recipe with bold and spicy flavors.

198393 25# **Buster's Fish Breeding**

This is a delicious corn meal breeding with just the right amount of spices. It produces a very flavorful crunch.

198392 25# **Buster's Spicy Chicken Breeding**

Savory flavor with added heat from Cayenne pepper. Fries up with a little of a reddish tint and a good kick on your tongue.
